

AVIATION & MARINE

At HF, we're committed to delivering exceptional legal solutions that meet the unique needs of each client. Our team of experienced and highly regarded lawyers spans the UK and Ireland and are on hand to advise on the full range of aviation and marine related claims and litigation. Our expertise in aviation and marine insurance and reinsurance enables us to provide acclaimed services both nationally and internationally, leveraging our overseas network when required.

AVIATION

Our very experienced and highly regarded aviation team provide high quality, cost effective representation and advice, handling claims and litigation, delivering timely solutions for clients right across the aviation sector.

You can rely on our specialist legal knowledge and decades of experience representing Lloyd's syndicates and company market insurers and reinsurers of airports, ground handlers, PRM service providers, GA pilots and operators, concessionaires and other suppliers to the world-wide aviation industry - [Find out more.](#)

MARINE

The marine team at HF regularly act across the full spectrum of marine and insurance matters and benefits from dual-qualified lawyers who work across the Scottish and English courts to offer a nuanced approach.

We act for insurers, P&I Clubs, vessel owners, cruise operators and Ports and Terminals, as well as any relevant parties in maritime disputes. Recent activity includes a range of disputes across wet and dry shipping, including charterparty and demurrage claims, cargo claims, collision claims and on-board fires - [Find out more.](#)

People. Not just lawyers
